"MAKE MERRY WITH MOSLEM"

To the Nobles of North America and their Ladies:

The Shriners of Moslem Temple and their ladies wish me to express to you their greeting of welcome, and to ask that you freely make use of the unlimited hospitality that they have prepared.

The ladies of Moslem Temple, under the chairmanship of our captain-general, Major Martin B. Hansz, have arranged for unusual transportation facilities for the ladies of the visiting Nobility. Call EUclid 5730 and a car and driver will be placed at your disposal for Detroit sightseeing trips.

Our great industries have declared open house for the week of June 20, and as you will note elsewhere in this program, many of these concerns are providing transportation for you and party to their plants and return.

We wish to take this opportunity of acknowledging the generosity of Detroit's large automobile manufacturers. The magnificent and costly decorations for the Garden of Allah are through the courtesy of the Chrysler Corporation in the Washington Boulevard section, and the General Motors Corporation in Grand Circus Park. The Ford Motor Company has provided souvenirs for the members of all uniformed units; numerous other concerns and thousands of citizens have generously given us their cooperation.

Everything is now ready for your reception and entertainment, and we trust that you will have an enjoyable and profitable time. That you may return often to the Oasis of Moslem Temple is our sincere wish.

Yours for the Shrine,

Richard E. Moore

Illustrious Potentate.

"DETROIT MARCHES ON"

To the Visiting Nobility:

Moslem Temple extends to the Nobility of North America a most cordial greeting to Detroit, the City Dynamic. We sincerely hope you will enjoy every second of your brief stay with us.

The Official Program of the 63rd Imperial Council Session, A. A. O. N. M. S., is herewith presented to you, and we trust it will meet with your approval. Please keep it with you and refer to it frequently.

I wish to extend to the members of the Executive Committee, committee chairmen and the hundreds of other Nobles who have given so generously of their time and effort in making possible this great convention, my sincere thanks and deep appreciation for their loyal assistance and support.

T. E. Stinson
